

# YOU CAN TRUST GOD

**because** he keeps his promises

1. What did God promise Abraham?
2. Why did it look impossible for God to give Sarah a baby?
3. Can you think of two special babies God sent to keep his promises?

1. What will help you to keep trusting God when things are hard?

1. Can you think about any other promises God makes to people who trust him? Rom 8:28, Isa 41:13, 1Jn 1:9

# Points4Prayer

Somalia is a country where a Muslim group will attack or kill people they know have become Christians. Families and friends will often stop speaking to, living with and helping Christians, so Christians cannot talk about Jesus.

People can hear about Jesus on the radio and God has spoken to people like Hassan in visions.

**Praise** him for keeping his promises to rescue people from sin even in Somalia where that is not allowed.

**Thank** God for the radio stations that share his word.

**Ask** God to keep that more and more people in Somalia will hear his good news and believe.
