

# YOU CAN TRUST GOD

**because** *he made you*

1. Who did God make people to be like?
2. Who is the one person who is most like God?

1. What does it mean to be made in God's image?
2. What are some ways you're like God?
3. What's good about knowing that God knows everything about you?

1. How can you treat other people to show them you know that they're made to be like God?

There aren't very many Christians in Pakistan, they can't choose their jobs but have to do what is considered dirty like sewage work and are not properly looked after. Christian woman and girls might be forced to marry Muslim men and hide their beliefs for the rest of their lives. Churches have been bombed and Christians arrested.

**Praise** God that he knows each Christian in Pakistan and what they're facing.

**Thank** him for his Spirit comforting those who have suffered from violence.

**Ask** God that as Pakistani Christians show other people what God is like that more people will believe in him.
