YOU CAN TRUST GOD

because he came to earth

- 1. Who were Jesus' parents?
- 2. Why did Jesus come to earth?
- 3. How can anyone be part of God's family?
- 1. Why is it important that Jesus is both God and human?
- 2. How is Jesus like God?
- 3. How is Jesus like us?
- 1. What would you tell a friend so that they can believe in Jesus and join God's family? (Then pray for a friend)

Points4Prayer

In Eritrea some Churches are allowed to run by the government but are watched and have to be careful of what they say. Hundreds of Christians who are in nongovernment churches have been arrested and imprisoned, some are beaten. Hospitals and schools that are run by Christians have been closed down. Praise God that people are still becoming Christians in Eritrea
Thank Jesus that he became a human and understands being wrongly arrested and beaten.

Ask that he will help Christians to know that he is with them and that their suffering will end.
