

YOU CAN TRUST GOD

because he is our Father

1. How does Jesus tell us to talk to God?
2. God loves you as much as he loves who?

1. What is a good thing about God being your dad?
2. If God is your Father how will it change how you act?

1. What ways could the Holy Spirit make you more like Jesus?

Yemen is a country that is at war with itself, this means life is difficult for everyone who lives there, There are hardly any Christians there, lots had to leave the country as the war started and they have to keep their beliefs a secret. Now when the Christians need help, food or medical aid they can't get it because The country will help Muslims first. You can find more information here:

Praise Jesus that he has so much love for Christians in Yemen.

Thank God that he will give them what they need to be brave and keep following him.

Ask Jesus that he will help Yemeni believers to be a witness and example in their country.
