

YOU CAN TRUST GOD

because he died for us

1. What was the difference between Jesus and the other two men who were crucified at the same time?

1. What should you do now you know Jesus died to rescue you?
2. What difference does it make to you that Jesus died in our place?

1. How can we know that Jesus made the choice to go to the cross?
2. Do you think it is fair or unfair that Jesus was punished for our sins? Why?

There are very few Christians in Iran and those that leave Islam to follow Jesus may be put in prison or executed. It is also illegal to have print the Bible or any Christian book and you can't have church services in Farsi (the language most Iranians speak).

Christians who don't have a Muslim background are allowed to worship openly but are often seen as second best.

Praise God that he understands exactly what it is like for believers facing death in Iran.

Thank Jesus that some churches are allowed to meet and that Christians can get help from Open Doors.

Ask that believers would be able to safely share the good news with Iranian Muslims.
