It's not illegal to be a Christian in India but the Government believes that the only real Indians are Hindus and don't do anything to stop attacks on people who believe other things. People who become Christians are often called to choose between following Jesus or keeping their old friends and family. Christians are often among the poorest in India and will struggle to get work to be able to buy food.

**Praise** Jesus that he has the power to change the hearts of those in power in India.

**Thank** him for healing many in India and that those people often believe in him.

**Ask** God to protect his people from attacks, illness and unfair treatment.
