

YOU CAN TRUST GOD

because he gives us what we need

1. What has God done that shows us he is strong?
2. Why do we need armour from God?

1. How do you feel about being on God's side in the battle against evil?
2. What has Jesus done that shows us he won the victory already?
3. What's your favourite piece of the armour of God and why?

1. What can you do or think to put your armour of God on?

Nearly half of the people in Nigeria are Christian and in the south they are free to follow Jesus. However in the rest of Nigeria attacks on Christians are common and the law won't punish the attackers. Christian women and girls have been kidnapped and made to choose between marrying their kidnapper or becoming a slave. It is also hard for a Christian to get a job.

Praise God that he is love and that he cares for his children in Nigeria.

Thank him for the Christians who can live in safety and those who escape from their kidnappers and are able to go back to their families.

Ask for protection and healing for those who have been badly treated.
