

# YOU CAN TRUST GOD

because he is coming back

1. What did Jesus tell John about in his vision?
2. What do you think God's city in the new heavens and new earth will be like?

1. What do people need to do to be part of God's family?
2. What makes Jesus the cornerstone in our memory verse?

1. Have you asked God to be a part of his family? When did you and why or why not?

## Points4Prayer

Saudi Arabia is a country run by Islamic law, and Christians have to keep their faith a secret. People who leave Islam to worship God can be put to death. Despite the danger here are lots of ways for Saudis to hear about Jesus. Radio stations, TV channels and internet sites run from other countries can share the good news with people inside Saudi Arabia and it is possible for Bibles to be smuggled in to believers.

**Praise** him that he wants to be known by everybody even in places where it's against the law.

**Thank** God for the organisations who are helping to share the good news in Saudi Arabia through books and programmes.

**Ask** God to help Christians there to stay safe as they follow him.
