

YOU CAN TRUST GOD

because he is generous

1. What is the best gift you have received from God?
2. Why does he want to give us things?

1. Which is better: the good things God gives or the God who gives them?
2. Can you think of a time you have been so excited about something good that you haven't said thanks to God for it?

1. There are sadly lots of people in this world who don't have a lot of stuff to enjoy: how can they know that God is generous?

The Maldives are islands of the coast of Africa that are very popular with tourists. Most of the Christians who live there are not native to the island but work there; they are not allowed to talk to anyone about their faith. Any Maldivians who were found out to be Christian would no longer be allowed to live in their home country and could even be arrested for owning a Bible; it is very hard for them to meet with other Christians. Praise God that he has given himself to his people in the Maldives.

Thank him that he is stronger than the government there.

Ask God to give his followers there the strength to keep living for him in very hard circumstances.
