2. Can you think of someone who doesn't know God loves them? How would you tell them?

1. Using how God loves us as an example what does it mean to love someone?

Recently Iraq has suffered from lots of wars, which have made life hard for everyone there but Christians are often the last to be able to get help because they are known to follow Jesus. Many Christians left the country during the war only with the clothes they were wearing – however it is safe now or them to go back home, but they have to rebuild homes and businesses from scratch. You can find more information here:

Praise the Lord that he loves his children in every country and has promised to end all wars.

Thank God for the people who have been able to return to their homes and the help he gives them.

Ask God to help his family in Iraq rebuild their lives and that they would show others what God's love is like!
