

1. What was strange and unusual about the fire on the bush Moses saw?
2. God told Moses his name. What was it?
3. What are some things that you need?
4. How does God give you what you need?

1. Do you have any questions about what happened to Moses?
2. Think of the three signs God did for Moses. What do they show us that God is in control of?
3. Can you think of some times it would help to remember that God is in control?
4. What can you do to remind you he is in control?

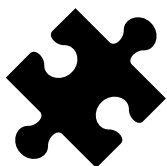

1. What would it mean if God needed things? (Think about what you do when there's something you need)
2. Why is it important to know that God has always been there, is always there and will always be there?

Can you decorate the outside of a jar to look like a bush (acrylic or glass paint, paper and glue or sharpies) and light a candle inside it.

Safely try some fire experiments with an adult!
What burns and what doesn't? What does a fire need? **BE VERY CAREFUL!**
Can you do some 'rubbings' of different leaves and twigs. Just put a leaf under a piece of paper and colour over it with the side of a wax crayon.
